The Little Club that Rocks! October 2021

Presidents update

We are back!

It has been a long and difficult road for the club over the past 2 seasons but it is starting to look like there is light at the end of the tunnel!

Fortunately, the Club is in a good financial position thanks to a number of grants and the generosity of our members! When we were forced to shut down last January, the vast majority of members donated their membership fees! We would like to thank you for this!

We do have much rebuilding to do and, in particular, to grow our membership. In this regard we need your help! Do you know people who are new to curling or new to Colborne? Please encourage them to join! We can't keep the club viable without members!

As well, our Board of Directors needs some Directors! It is only 1 meeting a month (about 1 hour in length) and your participation in this capacity is a great way to contribute to your local community!

Good curling!

New members

If you are new to town, the Colborne Curling Club is a great way to get involved in your new community and meet new people!

We make sweeping fun!

The Colborne Curling Club is a friendly and helpful club for new members! Not only that, but if you are thinking of curling, we have a special New Members rate so you can try it out!

Contact the club or check out our website for more information:
<http://colbornecurlingclub.com>

Open House and Registration Night – October 25, 2021 7-9PM. See you there!

Curling with Covid

We are still in a pandemic and it is a priority of the Board to ensure that curling is safe for everyone!

We work closely with the Ontario Curling Association to ensure that all of our curlers can enjoy the game safely!

This year (until we hear otherwise from the government) we will be maintaining covid protocols in our facility and on the ice.

Two changes though! The first is that all players must be double vaccinated with a vaccine approved by the Federal Government. The second is that you can remove your mask when throwing a rock. Curlers who wear glasses will appreciate this!

We appreciate your understanding!

Club Rentals

Did you know that the Colborne Curling Club is able to rent out its facilities for special events, parties, etc. at times that the facility is not in use (Curling leagues, Bonspiels)?

A full kitchen, a lounge area that seats up to 30 people and lots of parking make this a great venue!

Contact Dave Chapman at 905 373 5662 for more details!
